FIG. 8

The diagram illustrates a table structure for 'Terminal information 800'. The table has four columns labeled 404, 701, 801, and 802. The first three columns are grouped under a bracket labeled 'Terminal information 800'. The fourth column is positioned to the right of the group.

Terminal ID	License ID	Reproduction start date/time	Reproduction end date/time

FIG. 11

The diagram shows a table with three columns: License ID, Reproduction start date/time, and Reproduction end date/time. The table has four rows of data. Above the table, there are three labels with arrows pointing to specific cells: '701' points to the first column of the first row; '801' points to the second column of the first row; and '802' points to the third column of the first row. The table data is as follows:

License ID	Reproduction start date/time	Reproduction end date/time
XXXL01	2003/01/10 10:20	2003/01/10 10:50
XXXL01	2003/01/10 13:34	2003/01/10 15:26
XXXL02	2003/02/01 23:20	2003/02/02 01:13
